ANIMORPHS

{Note- if you've noticed a lack of poems from me, it is because I am working on an actual story for once. But I'll still put out a few poems now and again}

Hearts racing

Running from the evil

That is engulfing the world

The Earth's only hope

Those six kids running

Raging hate replaced momentarily by fear

Countless battles they have fought

Lives they have lost

All build up

In their wary heads

Trembling in anger

Scared of their enemies

Wishing it would end
Hoping they'll survive
Their old lives fading into the dusk
As they grow harder to remember
As their lives pass them by
As they try to save their world
Animorphs

End
